

The 2012 Vans Hi-Standard Series starts Feb 4th.

Join us for the first Canadian edition of the Vans Hi-Standard Series in collaboration with Snowboard Canada. The event consists of an original big air format where riders are judged on individual style and no rotations over 720 are permitted. Rewarding creativity and self-expression, the Vans way.

It's pretty simple, the more style and trick variety you have, the more you get paid. Each stylish manoeuver will get you cash on the spot! The course will also include the Pro-Tec rail best trick portion with 500,00\$ up for grabs.

The Vans Hi-Standard series consists of 4 stops with a total of 12,000,00\$ in cash and prizes. Space is limited to 50 snowboarders per event within two categories 15 and under/16 and over and all levels are welcome. Entry Fee is 10\$.
